

**BUILT TO INCREASE
PROFITS & PRODUCTIVITY.**

**BUILT TO REDUCE
DOWNTIME & WASTAGE.**

**BUILT TO BE ADAPTABLE,
MOBILE & TOUGH.**

The Mobile Lube Skid from AFC has been built to make a difference to you and your team on-site, wherever you are. Ideal for servicing large earthwork machinery, the Mobile Lube Skid is built to last and deliver.

Benefits:

- Plug-and-play set up
- Fully mobile
- Increased profits – use bulk oil rather than 20L pails
- Improved field servicing efficiency – reduced servicing time
 - Multiple services per trip
- Reduced mess from waste oil handling
- Reduced issues with overweight service vehicles.
